

Indoor Entry LED

\$50,000 – \$60,000

Includes:

- LED Panel (10ft, 2.5mm)
- Control & Processor
- Mounting Systems
- Connectivity
- Installation

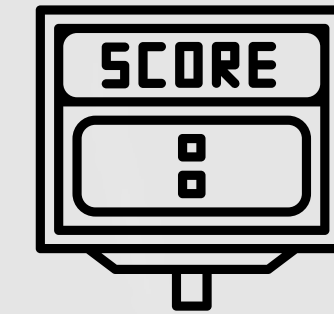

Indoor Pro LED

\$110,000 – \$135,000+

Includes:

- LED Panel (12ft, 1.8mm)
- Pro Control & Processor
- Mounting Systems
- Connectivity
- Installation

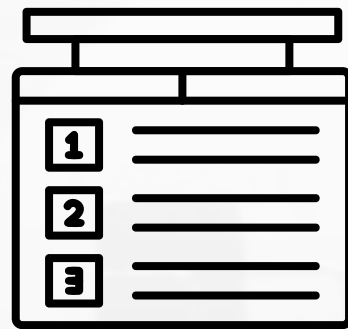

Outdoor LED

\$80,000-\$100,000+

Includes:

- LED Panel (16ft, 3.9mm)
- Outdoor Control & Processor
- Weatherproof Mounting
- Connectivity
- Installation

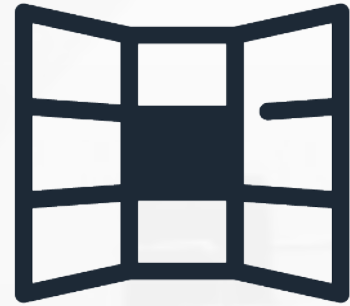

Indoor Entry LED

\$50,000 – \$60,000

What's included (typical spec):

- **LED Panels:** Absen NX2.5 (2.5 mm) or Unilumin UPanel 2.5 — ~10 ft × 5.6 ft (≈ 17 m²)
- **Processor:** NovaStar VX1000 LED controller
- **Mounting System:** Fixed or front-service wall frame
- **Control Integration:** Extron or Crestron touchpanel presets for simple operation
- **Power & Cabling:** Complete structured cabling, power supplies, and signal routing
- **Installation & Calibration:** Pixel calibration, color matching, alignment, and QA
- **Warranty & Support:** 3–5 year hardware warranty and service plan

Indoor Pro LED

\$110,000 – \$135,000+

What's included (typical spec):

- **LED Panels:** Absen KLCOB or Planar MGP 1.8 — ~12 ft × 7 ft (≈ 25 m²)
- **Processor:** Dual NovaStar MCTRL4K or Brompton Tessera S8 for 4K workflows
- **Mounting System:** Precision adjustable frame, front or rear service access
- **Control Integration:** Crestron/Extron control with user presets for multi-source switching
- **Power & Cabling:** Redundant distribution, certified data/power harnessing
- **Installation & Calibration:** Onsite alignment, multi-zone calibration, HDR color tuning
- **Warranty & Support:** 5-year warranty with advanced spare module kit

Outdoor LED

\$80,000-\$100,000+

What's included (typical spec):

- **LED Panels:** Absen A Series P3.9 / Unilumin Uslim Outdoor — ~16 ft × 9 ft (≈ 40 m²)
- **Processor:** Outdoor-rated NovaStar Taurus controller
- **Mounting System:** Weatherproof frame, wind-load certified structure
- **Control Integration:** Crestron or Extron remote management interface
- **Power & Cabling:** Outdoor-grade waterproof cables, surge protection, UPS backup
- **Installation & Calibration:** Weather-sealed connectors, outdoor brightness calibration
- **Warranty & Support:** 5-year outdoor warranty, cleaning and service plan
